Dear Commissions and Global Partners,

Please plan to join us for the World Evangelical Alliance General Assembly in Pattaya, Thailand from October 25th to October 30th, 2008. As you know, WEA members are spread out all over the globe. The General Assembly that brings us together happens just once every six years. This will be an excellent opportunity for you to connect with representatives from 128 National and 7 Regional Alliances, 105 Associate members and with each other as Commissions and Global Partners. We want you to inform the WEA community about the important work of your ministry. The General Assembly will strengthen our connections and build alignment of vision within our body.

As Christ calls us to, we will seek together the kingdom of God at the General Assembly as we focus on the theme “One Lord, One Body, One Voice”. Our topics for each day were chosen after carefully listening to the concerns that we have heard you express. With a commitment to holistic transformation: the proclamation and the demonstration of the gospel as our foundation, our topics will be: churches as God’s transforming instruments, addressing poverty in all its aspects, religious liberty and advocacy and evangelicals in the public square.

At the General Assembly, you will gain a greater understanding of global issues and evangelical responses to them. Expect to network and to develop strategic partnerships with National and Regional Alliances and Associate members. Exhibition space is available as one means for you to inform participants about your ministry. Six hours of training on the topic of your choice is available. Your voice and input will help to shape the future of the World Evangelical Alliance.

We see prayer as being a critical foundation for the General Assembly. Therefore “Day One” is being launched one year prior our gathering in person. Through Day One all of us will be invited to pray as we are helped to understand what is happening in the nations throughout the world. How much richer it will be to meet together at the General Assembly having prayed for each other during the preceding year!

Your presence at the General Assembly is important to us. We want and need to hear firsthand what is happening in your ministry. We look forward to seeing you in Thailand.

Yours in Christ,

Geoff Tunnicliffe
International Director
